

Sept 9/67

Scenic view of Port Churchill.  
Capacity 5,000,000 bushels.

Hi there - I arrived here  
on July 22<sup>nd</sup> (Sat) by DC-7  
We are quite busy and  
have started loading our  
17<sup>th</sup> boat. We need more  
boats as the Eliv is getting  
plugged up. The food and  
lodgings are very good here  
I don't know yet when I'll  
be coming out. It depends  
on whether they fill the Eliv,  
or not. The weather has been  
quite nice with the odd  
bad day. It soon will be  
colder though as the ducks  
and geese are starting south.  
Sincerely E J Thompson
